

Fast & Furious

Live Painting Demonstration

April 29, 2017

2:00 - 5:00 Live Demonstration

5:30 - 6:30 Cocktail Reception

The third annual Fast & Furious Live event invites you to experience the world of artwork! Five local artists will be demonstrating the process of portraiture, working with a clothed live model. This 3 hour session will start with blank canvas and paper, but by the end a finished piece will emerge. Using a variety of mediums including oil, pastel, and charcoal this is a great opportunity to ask the artists questions and immerse yourself in the process. Then join us after the event for an artist reception. Here you can continue to engage with the artists and see their pieces in the main exhibit.

Finished artwork completed at the event will be on display for the duration of the exhibit. Hors d'oeuvres and beverages provided. *This event is free and open to the public.*

Figure/Portrait Exhibit

April 19 - June 3

A collection of original drawings and paintings, these works were created from a live model. The immediacy of the style captures the subject in a fleeting moment in time and speaks to the artist's perception of their emotion. This unique exhibit is not to be missed! Open to the public.
